

The week that changed the world

The week that changed the world

Modern Australian culture is influenced (for better or worse) by Christianity. In fact Christianity dominates the history of western civilization. The birth of Christianity can be traced to the first Easter week. Why is the Easter story so important? How could these events change the world?

Join us as we explore the Easter story at our first *Logos Live* series for 2014. *Logos Live* is a free, live forum recorded for radio broadcast. Our host is Robert Martin, Melbourne Director of City Bible Forum who will be joined by some fantastic guests –some Christian and some not. We'll also enjoy whimsical poetry from renowned local poet Cam Semmens.

All sessions: 12:30-1:30pm at Telstra Conference Centre (242 Exhibition St) except those marked with (*) which will be at 12:30pm at Donkey Wheel House (673 Bourke St).
