

# WHY AND HOW TO HOST A LIFE@WORK CONFERENCE CHURCH WATCH PARTY LIFE@WORK

Over the last two years dozens of churches around Australia have joined in the Life@Work Conference, hosting a Watch Party. They have been incredible days of encouragement, as well as equipping the members of those churches for their life and witness in the workplace. In 2023 we hope you can join in this wonderful event too!

**Why host?** There are so many events on the calendar it can be hard to justify adding another thing into the program. However the Life@Work Conference is unique in what it offers your church. This conference is targeted at that significant portion of your members who spend the bulk of their week rubbing shoulders with non-Christians in the workplace.

Imagine the impact it could have to your church if that group of people were inspired to live more boldly for Jesus in their daily life, and share Jesus in a winsome and culturally relevant way. This is what the Life@Work Conference seeks to provide, giving you a unique opportunity to minister to these members.

**What do I need to do?** Very little! Yes, we really do mean that. We want to make it as easy as possible for you to host, so almost everything which is needed for the day is either provided to you, or sent direct to conference delegates. Simply follow these four easy steps:

1. Register as a Host. This ensures that we can contact you in the lead up to the event to make sure you have everything you need for a great day. Plus when you register make sure you leave your postal address so we can send you your...
2. Host Pack. Included in that pack are posters and other decorations for your venue.
3. Invite church members. In the lead up to the event we will provide you with all the promotional material you need to help spread the word. Each person is required to individually register to ensure they are sent all they need for the day, and you don't need to organise anything for them! We will also provide you with login details so you can check who has registered to attend your Watch Party.
4. Decide what to eat together! During the conference there will be a one hour break where no activities or discussion is planned - instead we want you to relax with your church members and enjoy the social time. What you eat together we'll leave to you to plan so it can be just how you like it!
