CELEBRATE EASTER

Most big companies celebrate Ramadan and Diwali, why not approach HR and ask if you can join the party by celebrating the main Christian festival. Help rebuild the 'back to the office' culture of your company with an in-person event.

PLAN

Request to run 30 minute online Easter event or a 50-60 minute in person event (or hybrid). Provide some hot cross buns or lunch, ask for a donation towards the costs and ask that the event be promoted across your company,
